This appeal is directed against the judgment and decree in LAR 3/98 on the file of the Sub Court, Thodupuzha. The acquisition is for the purpose of construction of microwave station and approach road. It is seen that capitalization method is followed for fixation of land value. It is also seen that only 10 is taken as the multiplier. It is now settled law that the said multiplier can be safely followed, in view of the decision of the Supreme Court in **Assistant Commissioner-cum-Land Acquisition Officer, Bellary v. S.T.Pompanna Setty** (2005) 9 SCC 662). Thus there is no merit in the appeal. It is accordingly dismissed.
